Dr. Rajat Kala comes with a rich experience of 17 years in the Banking Sector. Banking Leader balanced by strong business acumen, leveraging logical and critical thinking combined with proven ability to build connections between diverse teams, functions, and disciplines to drive results. Learning and exploring things have always been go-to strategy.

Regarded as Profit-driven Banking Leader, he present himself as a qualified professional with an extensive exposure in the areas of Branch Management, Liabilities, Assets (Secured & Unsecured), Rural Banking, SME, TASC, Business Banking, Administration, P&L Accountability, Business Development, Sales, Portfolio Management, Wealth Management, Investment Advisor, Third Party Products Vertical, Human Resource Partnerships & Alliances as well as Team Supervision with leading banks in India.

About The Company

He has been noted for being a Business Transformer who quickly assesses obstacles to stalled growth - issuing tough decisions, restructuring organizations to reach profit goals and eliciting top performance across premier Banks / Financial Institutions.

His strength is leveraging both functional, technical & operational skill sets to identify deficiencies and drive enhancements which streamline processes and elevates the potential of business management functions. He can be often described as someone who is unwilling to settle for average, with both broad and deep skills bringing a unique perspective to various challenges.

P&L Approach Driven -- evolved strategic vision, infused new ideas and took banking / branch performance & productivity to the next level. He has innate ability to maintain a razor sharp focus on topline and bottom-line growth for the company. All through in his career, He has worked with senior leadership & cross-functional teams, he had demonstrated strong interpersonal skills and mentored team in driving efficiency and business value.

With his critical-thinking and creative problem-solving abilities, he is now willing to offer my experience and expertise in a demanding position, to a company that promises mutual growth. He is also known to be a People Leader who focus on creating an ecosystem where everyone flourishes.
